PROFILE

I'm a Web Developer enthusiast fresh out of the learning curve. Got the hang of React.js, Node.js, Bootstrap, and Tailwind CSS. Ready to dive into the coding adventure, bringing some fresh vibes to web development!

EDUCATION

Bachelor of Computer Applications,
SAFI Institute of Advanced Study , Malappuram,
India

June 2021 - Present

I am currently in my final year pursuing a Bachelor of Computer Applications (BCA) degree, with an expected graduation date in March 2024.

PROJECTS

Chelakkedo-Chat App

January 2024

Developed a real-time messaging application using ReactJS and Tailwind CSS for the frontend, with Firebase Firestore serving as the backend. Implemented Firebase Authentication for secure phone number authentication. Users can send text messages in real-time, demonstrating proficiency in frontend development, UI design, and backend integration.
